

President's Communique

Pankaj Ghiya, *Advocate*

Dear Friends,

Team AIFTP wishes all its Members & all Professional Brothers & Sisters a very happy, prosperous and successful New Year, 2023. May this year fulfill all the pending wishes and all of us reach New heights in Professional and personal life.

The New Team is taking guard at the AIFTP and we are confident that with the support of all the Members we will be working hard to take this Federation to a greater height. The focus as usual will be on the Education and updation. It has been seen that the Tax Profession is changing very fast and there are lot of amendments and changes in the Acts / Rule etc. Various Notifications and Circulars are issued regularly and keeping track of them has become a herculean task. The effort of AIFTP is to update its Members through regular mails / messages regarding the changes and also about the recent judicial decisions. In addition to it various publications are issued for the benefit of Tax Professionals.

The aim of the AIFTP is Ethics, Education & Excellence. At the Jaipur Convention held on 17th – 18th December, 2022 we had expanded it to Connect, Educate & Learn. Networking is must in this new digital age as we are more on social media and less and less meetings or personal interaction is happening. The faceless regime has resulted in loss of personal interaction and therefore the Conferences, Seminars, Meetings etc. are organized by AIFTP throughout the country in all the Zones, so that all the Tax Professional must meet each other and interact and Connect with each other. We are working on a networking solution for the AIFTP. The Education and Learning goes together. It is must for Tax Professional to be updated and no about the latest changes in the Tax Laws.

The Year 2023 will be a great year for all of us for the reason that many new changes will happen. We are trying to update the record / directory and the Members can directly update their record by logging on to the Website of AIFTP i.e. aiftponline.org. The icon clicks and edit details will be on the home page of the website.

We would request all the Members to save the mobile numbers of the President and Secretary General so that updations and information regarding AIFTP may be sent to them at the earliest. In addition to it we are creating groups for AIFTP Members and link would be provided to them so that they can join the WhatsApp groups. It would be use only for giving information regarding the various activities of AIFTP.

We request for suggestions and advice from the Members and the same can be sent to the President directly through WhatsApp or email as mentioned hereunder.

The various programs for the first quarter are already being updated on the website of the AIFTP. It is requested that all Members join the Conferences / Seminars being organized in various Zones in large numbers. All Members can also plan to organize Conference/ Seminars in their respective Zones/ Cities and we would provide all support for it.

Friends, it is the unique feature of AIFTP that in all parts of country the presence of AIFTP is found. We request that the information may be circulated and Tax Professionals be asked to join AIFTP in large number. The moto should be "Each One-Get One".

Wishing you all a very happy New Year- 2023.

Pankaj Ghiya
