ICAI Tower, Plot no C-40, G Block,
Opp. MCA Academy, Besides Standard Chartered Bank,
Bandra Kurla Complex, Bandra (East), Mumbai - 400 051

An annual event is revived after more than a decade. TAXCON, which had been a show stopper in earlier times, is back with a bang. This is a Conference conceived and designed by six like-minded professional associations to bring on one platform topics of most relevance in current scenario to the taxation and accounting professionals. The sessions dealing with taxation, accounting and technology encompassing taxation and accounting are to be addressed by top of the line professionals excelling in their respective fields.

The professionals seeking holistic views on some of the contentious areas of taxation and accounting as well as insights into technology led solutions, will find great value by attending the sessions which have been meticulously curated to address various issues through effective deliberations and presentations.

It is an event which can be attended through physical participation thereby having occasion to network with fellow professionals. However, if traveling to the venue is difficult for outstation enthusiasts or even for Mumbai professionals, they can participate remotely through online mode.
