MESSAGE

Friends,

This yearly report of the activities of the AIFTP for the year 2023 is presented before all the Members. This report contains the events / activities / Webinars / Seminars / Conferences, etc. organized from 1st January, 2023 to 31st December, 2023.

It's really a great moment for us as during this period we had been able to organized 135 NTC / Seminars / Conferences / Webinar / CSR and other events.

In addition to it, we have organised around 155 Independence Day Celebrations and around 60 Foundation Day Celebrations. We are also releasing two books in this year. The total number of programs will be over 131 programs.

The success is because of the Team effort of all Zones and the Managing Committee of all Zones and the National Executive Committee. We are fortunate that we had received so many request from the Zones to organize the events.

The Educational Programmes of AIFTP being conducted by various Zones are continuing and almost on every weekend we had Seminar / Conference at the various cities in India. Large participation of Members in the Seminars / Conferences had been there and it is encouraging for all of us that such events are highly successful, and they are also spreading the awareness about AIFTP and Educational Programmes being conducted by AIFTP throughout Country.

The enthusiasm was such that all weekends were booked and even sometimes on weekdays we were organizing Webinars / Seminars / NTC. It is the co-operation and support from all Zones and the management team of all Zone that programmes were being organized regularly.

We had also sent representations to the Government regularly on the topic of importance and certain issues which were being raised by the Members.

We look forward to active participation of the Members in all activities of AIFTP.

In case Members are having suggestions then the same may kindly be informed by sending mail at aiftpho@gmail.com.

Merry Christmas and a very happy New Year, 2024

RAJESH MEHTA
