Message

It is a matter of immense pleasure that the All India Federation of Tax Practitioners is publishing a Publication titled "*80 Landmark Decisions of Special Benches of the ITAT*", which is proposed to be released on the occasion of 80th Foundation Day of the Income Tax Appellate Tribunal.

It is also a matter of appreciation that during the period of pandemic of COVID-19. AIFTP has conducted more than 110 Webinars on various subjects free of cost for the benefit of the tax professionals and tax payers.

I congratulate the authors of the Journal Committee of the AIFTP for their dedicated efforts in bringing out a publication which contains 80 landmark Special Bench decisions of ITAT which had far-reaching implications. I am sure the publication would prove to be useful for tax professionals, tax payers as well as tax administrators. I convey my best wishes for its success.
